

Terms & Conditions Of Trading

Quotations, rates and charges

All prices are in GBP and are exclusive of VAT at the current rate unless otherwise stated, except coaches that are zero rated.

All quotations are estimated journey charges, are valid for 30 days and do not include waiting time, parking, tolls or telephone charges. Gratuities are at the Customer's discretion. Waiting time is charged at the agreed tariff rate.

Final journey charges will be calculated according to the actual route requested and any other relevant factors, e.g. waiting time (at the agreed tariff). The driver will take the most optimal route, unless the client gives specific instructions or prevailing traffic conditions dictate.

Charges apply for Customer no shows and cancellation at the tariff rate based on the service booked. Cancellation notice periods are as follows:

- Executive vehicles and MPVs - 3 hours
- Premium vehicles and MPVs - 5 hours
- Coaches, minibuses and all other vehicles - 24 hours.

If you cannot locate your driver and you seek an alternative method of transport without first contacting Flightlink to try and resolve the situation, you will be charged the tariff rate based on the service booked.

Surcharges will apply on Bank Holidays as follows:

- Christmas Day, Boxing Day, New Year's Eve from 18:00 and New Year's Day - 100%
- All other Bank Holidays - 50%

On-site co-ordinators are available on request, and are charged on an hourly basis with a 2 hour minimum charge.

In the event that the interior of the vehicle is soiled or damaged by the Customer, a valeting charge will apply.

Flightlink reserves the right to review the charges to take account of movements in the Retail Price Index, currency fluctuations, fuel, legislative changes or any other charges outside of our control.

Payment

Payment terms are 30 days from date of invoice. Flightlink reserves the right to charge interest on overdue invoices at the Bank Base Rate of interest plus 5%.

Flightlink accepts most credit cards as a means of payment but a surcharge of 2% will be levied to cover the costs of credit card processing.
